

Accessibility Statement

Effective Date: August 6, 2026

Blum Health is committed to providing a website that is accessible and inclusive for all visitors, including individuals with disabilities.

We strive to ensure our website is designed and maintained in accordance with recognized accessibility standards and best practices, including the Web Content Accessibility Guidelines (WCAG) 2.1 Level AA, to the extent reasonably achievable.

Ongoing Improvements

Accessibility is an ongoing effort. We regularly review our website and continue to improve its usability, compatibility, and accessibility for all users.

Our goal is to make it possible for everyone to access information about our practice and services regardless of the technology or assistive devices they use.

Accessibility Features

Our website is designed with accessibility in mind and may include features such as:

- Keyboard navigation support
- Alternative text for meaningful images
- Logical heading structure
- Readable color contrast
- Responsive design for desktop, tablet, and mobile devices
- Compatibility with common screen readers and assistive technologies

Need Assistance?

If you experience difficulty accessing any content on this website or require assistance obtaining information or scheduling an appointment, we are happy to help.

Please contact us using one of the methods below, and we will make every reasonable effort to provide the information or service you need in an accessible format.

Blum Health

If you contact us regarding an accessibility issue, please include:

- The webpage or feature you were trying to access
- A description of the issue
- The device and browser you were using, if known
- Your preferred method of communication

We value your feedback and are committed to continually improving the accessibility and usability of our website.
